Monster Entry List For July 5 Contests

Field and Track Games to Be Part of Independence Day Celebration Attract More Than Two Hundred Lads of This City.

That the municipal field and track games to be contested on the Monument Grounds, near the basin next Monday will be more successful from a competitive standpoint than ever before is indicated by the heavy entry list which closed with Chairman Beckett today.

Athletics Sell Barry To Boston Americans

BOSTON, Mass., July 3.—Connie Mack, manager of the Athletics, caused another big sensation when he sold Shortstop Jack Barry to the Red Sox. The deal was accomplished at a cost of about \$100,000 to the Boston management. It was said, although neither Mack nor Connie Mack of Philadelphia, nor President Lamm of the Athletics, would announce the price officially.

Welsh Expected to Go Limit With White

NEW YORK, July 3.—Freddie, the lightweight champion of the world, is expected to be forced to the limit tonight to hold his title when he boxes ten rounds with Charlie White of Chicago. White is a hard hitter, who has won a number of his recent bouts by knock-out, and there is every incentive for him to put forth his best effort in the bout with Welsh. Welsh in many of his bouts in this city has been able to hold off his opponents by his strong defensive work, but there are many who believe that it will not avail him so much in the bout with White. That Welsh is not holding his opponent tight is indicated by the testing which he has done in the past two weeks at Centerport, L. I. White has been training at Rye Beach and reports from there indicate that he is in the best condition.

Sound the cymbals for two kinds of independence joy!

Rip things right up the back on the Fourth! Because it's the nation's birthday, and because Prince Albert tobacco has set free men who yearned for the joys of jimmy pipe "packing" and real cigarette makin's—and who shied at tortured tongues and throats! Bang-away like it's freedom's frolic!
